December 18, 2012

Dear Central Manor Families

It is with great sadness that I inform you of the death of our therapy dog, Dudley. Dudley passed away Monday evening at his home after suffering some health complications.

Dudley has been a member of the Central Manor community for several years and Dudley has touched the lives of many children by having them read, pet and talk to him.

We have not addressed this with your child because we thought that it was something that was important for you to be able to discuss as a family. After you have had an opportunity to discuss this with your child they may have questions and worries about this loss.

Please feel free to contact us if there is anything you feel we should be made aware of. Our school counselor is available to speak with your child, if you feel it is necessary.

We are very fortunate to have such caring families, teachers and staff members to support our children. Again, please do not hesitate to contact the school at 872-1401 if you have any questions or concerns.

Sincerely,

Deb Holt  
Principal
